

Time Guardian FPT-40 is an employee time tracking system designed to eliminate “buddy punching” through fingerprint recognition. This economical biometric time clock system minimizes payroll management, while saving you money on your bottom line. It also eliminates the cost of issuing and reusing time cards and badges and reduces manual calculation error. Time Guardian FPT-40 interfaces with most common payroll applications, there by providing a complete turn-key solution to accurately and efficiently manage your payroll.

FEATURES

- Accommodates up to 100 Employees
